# About This Blog

I will use 3 languages, namely Chinese(zh), Japanese(jp) and English(en) to write this blog whenever it make sense. Chinese has both traditional(zh) simplified(zhs) version, and I will always write as the traditional version first and then translate it into simplified version by using OpenCC automatically.

## Currently

My Name is YANG Jiachen(楊嘉晨)

born in June 1989

I am currently pursuing PhD degree in

Graduate School of Information  
Science and Technology,

Osaka University (<http://sdl.ist.osaka-u.ac.jp/>)
