About This Blog

I will use 3 languages, namely Chinese(zh), Japanese(jp) and English(en) to write this blog whenever it make sense. Chinese has both traditional(zh) simplified(zhs) version, and I will

always write as the traditional version first and then translate it into simplified version by using OpenCC automatically.

Currently

My Name is YANG Jiachen()

born in June 1989

I am currently pursuing PhD degree in

Graduate School of
Information Science and
Technology,

Osaka University
(<http://sdl.ist.osaka-u.ac.jp/>)

I graduated from

School of Software, Shanghai
Jiao Tong University.

F0703701
(<http://se.sjtu.edu.cn/>)

Current Avatar

Izayoi Sakuya

This avatar is drawn by HUG
and published here pixiv id=41143207 .
Izayoi is a character from Touhou Project,
and she is my favorite character in many

released games of Touhou Project, including

Perfect Cherry Blossom Imperishable Night Scarlet Weather Rhapsody

Hisōtensoku
